Government Order No. 13343-53—Muz. 3495, dated 9th April 1901, abolishing the office of Muzrai Superintendent and Secretary to Government and assigning the duties appertaining to the latter office to the Deputy Secretary to Government in the General and Revenue Departments.

2. Para 11 of Government Order No. G. 5218-57; dated the 14th April 1904, appointing Mr. L. Anantasami Rao as Secretary to Government in the Muzrai Department and defining his duties.

No. G. 1600-39—G. M. 1-08-2, DATED BANGALORE, 7TH SEPTEMBER 1908.

ORDER THEREON.—The office of Muzrai Secretary to Government having recently fallen vacant on the retirement from service of Mr. L. Anantasami Rao, Government have had under consideration the question of revising the existing arrangements for the charge of the Muzrai Department. They consider that it is unnecessary to maintain a separate Muzrai Secretariat with a full time Secretary at its head, and that it may in future be amalgamated with the General and Revenue Secretariat and treated as a branch thereof. It is however necessary that there should be an executive officer directly subordinate to Government and in close touch with them to inspect Muzrai Institutions in the State co-ordinately with Deputy Commissioners and other local authorities, to look after the Matts and other institutions now under the direct management of Government and generally to advise Government in the light of local knowledge in the formulation of general rules and principles for the administration of the Department. The creation of this central executive agency ought not, it may be observed, to detract to any extent from the full responsibility of Deputy Commissioners and other local authorities for the proper administration of Muzrai Institutions in their respective charges.

2. In order to give effect to the above views, the Government are pleased to order the following arrangements:—

- (i) The separate appointment of Muzrai Secretary will be abolished and the Secretariat work will be added on to the General and Revenue Secretariat, as a branch thereof, under the general control of the Secretary to Government in the General and Revenue Departments.
- (ii) A Muzrai Superintendent will be appointed to be in charge of the administrative and executive work of the Department under Government. In order to avoid unnecessary duplication of work, this officer will also be in charge of the Secretariat work pertaining to Muzrai matters and will *ex-officio* hold the status of an Under-Secretary to Government in the General and Revenue Departments.
- (iii) The pay of the appointment is hereby fixed at Rs. 700 per mensem, and the officer holding it for the time being will draw travelling allowances at the rates allowed to Deputy Commissioners.

3. Government also take this opportunity to define in some detail, in the appendix to this order, the powers and duties of Deputy Commissioners and other local officers, the Muzrai Superintendent and the Government, in Muzrai matters.

4. It is sufficient to state here in general terms that the Deputy Commissioners and, subject to their control, Sub-Divisional Officers and Amildars, will be held fully responsible for the Muzrai administration of their respective charges and will be expected to inspect institutions from time to time and see that the endowments are properly applied. Assistant Commissioners in charge of Sub-Divisions will be responsible for Muzrai work in their charges; but suits for *pujari* rights will be decided by Amildars and appeals from their decisions will lie to Deputy Commissioners. In other cases the Amildars will be subordinate to the Sub-Divisional Officers.

5. The Muzrai Superintendent will inspect institutions from time to time visiting all important institutions at least once a year, and will submit reports to Government on points requiring their orders. His powers of inspection and enquiry will be co-ordinate with those of Deputy Commissioners and he will see that profits from inam lands and other endowments are properly applied, and will bring cases of mismanagement and alienation to the notice of

Proceedings of the Government of His Highness the Maharaja of Mysore,

Deputy Commissioners for needful action. He will not however interfere with the local management of institutions as regards matters not specially within his competence under the appendix, but will communicate to the Deputy Commissioners the results of his inspections, with any suggestions he may have to make. The Deputy Commissioners will give effect to his suggestions as far as possible and will submit for the orders of Government cases where they do not agree with him.

6. It will be clearly understood that the duty and powers of inspection and suggestion vested in the Muzrai Superintendent extend to all details of management, and that though he is not in a position to pass direct orders as to matters reserved for the Deputy Commissioners and the Government, his responsibility for bringing defects to notice and recommending improvements is unlimited.

7. The Muzrai Superintendent will be the recognized adviser of Government on all questions of general policy and will be responsible to Government for the general administration of the Department.

8. He will be in direct charge of institutions such as the Tirupathi charities, etc., situated outside Mysore and the Matts and institutions now under the direct management of Government. He will receive all accounts and returns now sent to Government by Deputy Commissioners and Amildars, and will submit to Government an annual report on the administration of the Department.

9. Government direct that a special report as to the working of the arrangements now sanctioned should be submitted by the Deputy Commissioners and the Muzrai Superintendent, respectively, on or before the 1st October 1909.
